BEVERAGE UK

Portfolio

Amber Beverage UK is an ambitious brand builder and distributor for established and up-and-coming spirits brands. Our portfolio includes Amber Beverage Group's owned brands, together with third-party distributed brands for a broad, exciting and multi-category range. ABUK has dedicated salespeople in each region of the UK, and functional experts covering the off-trade, national accounts and wholesalers. In 2023, ABUK merged with Indie Brands to combine the insurgent heritage and entrepreneurial spirit of Indie Brands with the scale, structure and systems support of ABUK.

ABUK is part of the Luxembourg-headquartered Amber Beverage Group, which produces, bottles, distributes and markets a range of drinks including Moskovskaya Vodka, Rooster Rojo and KAH Tequila to over 70 international markets.

SINGLE POT STILL

His heart danced
upon her movements
like a cork upon

what her eyes said
to him from beneath
their lashes and knew
that in another
past, whether in
life or reverie, he
had heard their
tale before.
